LEADERS IN DIVERSITY, EQUITY, AND INCLUSION

KEY LEARNINGS

Describe some of the characteristics, skills, and competencies of an effective DEI leader.

What are some ways to get an entire company – including the leadership team – engaged with DEI initiatives?

Examine: Do you have a different leadership style when you interact with a racially homogeneous group than you do with a group with diverse race mixture? Explain.

Examine: As a leader, how can you create a more inclusive work environment?

What I learned?

What I'll do?

What I'll share?
